JANUARY 1950

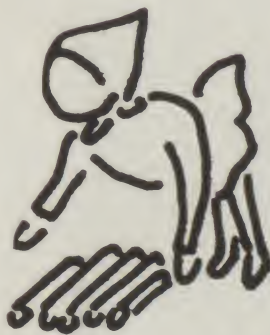

"One, Two Buckle My Shoe..."

*To our childhood gone forever,
To fairy tales forgotten never,
To the thoughts this book will loose
We dedicate our theme "Old Mother Goose"*

East High Quill

*Green lawns, gnarled old oaks,
Fighting spirit, happy folks.*

*Hickory, dickory dock.
This is our high school clock.
It tells the hour of the day
And when to work or when to play.
It has ticked off many years of time,
Knows many secrets—yours and mine.*

"BETTER LATE TO CLASS
THAN NEVER"

*What do little boys like best, like best?
 What do little boys like best?
 The pretty curls of little girls,
 That's what little boys like best.*

*What do little girls do best, do best?
 What do little girls do best?
 Smile and play and look pretty all day
 That's what little girls do best.*

*One he loves, two he loves,
 Three he loves, they say.
 Four he loves with all his heart,
 Five he casts away.*

*Around this rail the grass grows green
And all the pretty maids are seen.*

*There it is up, up, up
Bright against the sun-lit sky.
The red, white, and blue—Our Flag.*

*I went up one pair of stairs—
My sophomore year—
Eager to start.
I went up two pair of stairs—
My junior year—
With a happy heart.
I went up three pair of stairs—
My senior year—
Reluctant to part.*

HIGH SCHOOL DAZE

When first we came to dear East High,
We were so very small,
Were filled with awe and stared around,
Bumped into senior tall.

Those senior boys eyed all us girls,
And captured every heart.
We boys in all our glory thought,
"We're big shots from the start."

When through the eleventh grade we went,
We studied hard and long??
We starred in sports of every kind,
And even in ping-pong.

When seniors we became at last,
The story has been told,
Some heads became enormous size,
But brains stayed as of old.

The time for graduation's here,
At East we'll leave our heart.
The long awaited day's arrived,
In sadness now we part.

"MINE CHILDREN! MINE CHILDREN!"

Mine Children, Mine Children, dey botter mine life.
Why don't dey keep quiet like Gretchen, mine wife?
Ven I am sot down for a nice quiet smoke,
Dey crawl me all over and think it a choke.

Dey break down the clothesline and climb up the tree.
And ven dey get hurt—dey come squalling to me.
Dey hang by dere toenails and stand on dere head,
And knock one another off top of the shed.

Dey chop down my fruit trees and dull up mine ax—
And lose all my tools and dey vaste all mine tacks.
Dey fight and dey spat for a pan for to lick,
And den I gets mad and I gets a big stick.
I varm up dere pants, and den Oh! how dey dance!
I sot dem down hard each one on a chair,
And den dey yust say "Ha! Ha! We don't care."
And ven dere comes company, I get disgust;
Dey eat and dey eat till I tank dey would bust.
Dey lose all dere money and ask me for more,
Till sometimes I tank I will shurely go poor.
Dey tear up mine Ford and have a good laff—
When seeing me coming, dey run down the path.

Ven we tank it over, it does not seem right
To make dem be shut up yust quite so ver' tight.
I shust vant to lick dem, but den dey get vorse,
And ven I get mad, I tank I vill curse.
But maybe dey may grow better as years roll on by
Och! If dey don't—I tank I vill die!

Goosey, Goosey Gander, Where Dost Thou Wander?

January 26, 1960

For a long time Mother Goose has wondered what happens to her little fans after they have outgrown the picture book stage. So yesterday she hopped on her new goose—jet propelled, you know—and looked up some of the class of January, '50. In mid-air who should she meet but Willis Condon, piloting a Super X-51. Stewardess Arlene Allyn was busy comforting poor, airsick Keith Gier.

Looking over the countryside, Mother Goose saw George Ballard pushing a plow on his three-acre farm with Hired Hands Darrell Bobzin and Wendell Forbes, strewing seeds behind him. Ray Miller was out bringing in the cows, but his mind was on the 'purdy li'l gal' on the next farm, Cozy Johnson.

She noticed that a lot of the class had migrated to Podunk Center. There Joan Speer was garbage collector; Ann Caswell, chief-of-police; Norma Rasmussen, fire-chief; Doris Booth, finance commissioner; and Joan De Moss, streets commissioner. Poor Podunk! Podunk's high school was headed by worthy Carl Grant, and who should be vice-president but Bob "D. Q." Kellogg. So Bob and Carl made good use of those frequent visits to the office. And guess who was Podunk Center's biggest business man? Lee Whitehurst, proprietor of "Whitehurst Funeral Home." His three top casket salesmen were Herbert Hicks (imagine Herbie selling caskets), Jack Epps and Janyce Borg. At least it's steady work.

And there was Bob Hall and Kurt De Borde sitting at the edge of the river, heartbroken. The first bridge their engineering careers had offered them had just collapsed and was floating down-down the river. Mother Goose had to fly back to see this again, and then she saw Barbara Hackley, pad and pencil in hand, running to get the story for the "Podunk Daily News." Ellen Nauman, Joan Koopman, Doris Reynolds and Beverly Bishop thought somebody had been hurt and hurried to the scene of the accident with their worthy nurse's kits. Such disappointment on their faces—no one there whom they could ply with pills.

And then it happened. Mother Goose tried to catch him but Forester Jack Wilde fell out of a tall tree and those nurses just went crazy.

Soaring over the hills and into the big city, the first thing M. G. saw was John Grablin

putting up a great big neon sign that said. "See Mary Jo Dance, Marilyn Dennis Sing, Louis Caspers Saw A Woman In Half, and Ralph Graham Wow The Women With His Magic Guitar!" La Vaughn Taylor, Vera Miller, and Beverly Breazeale were selling tickets (eight dollars apiece), and Don Brauer and Ray Brown were just donning their ushers' suits. Popcorn Salesladies Dorothy Earixson and Edith Johnson were eating more than they were selling.

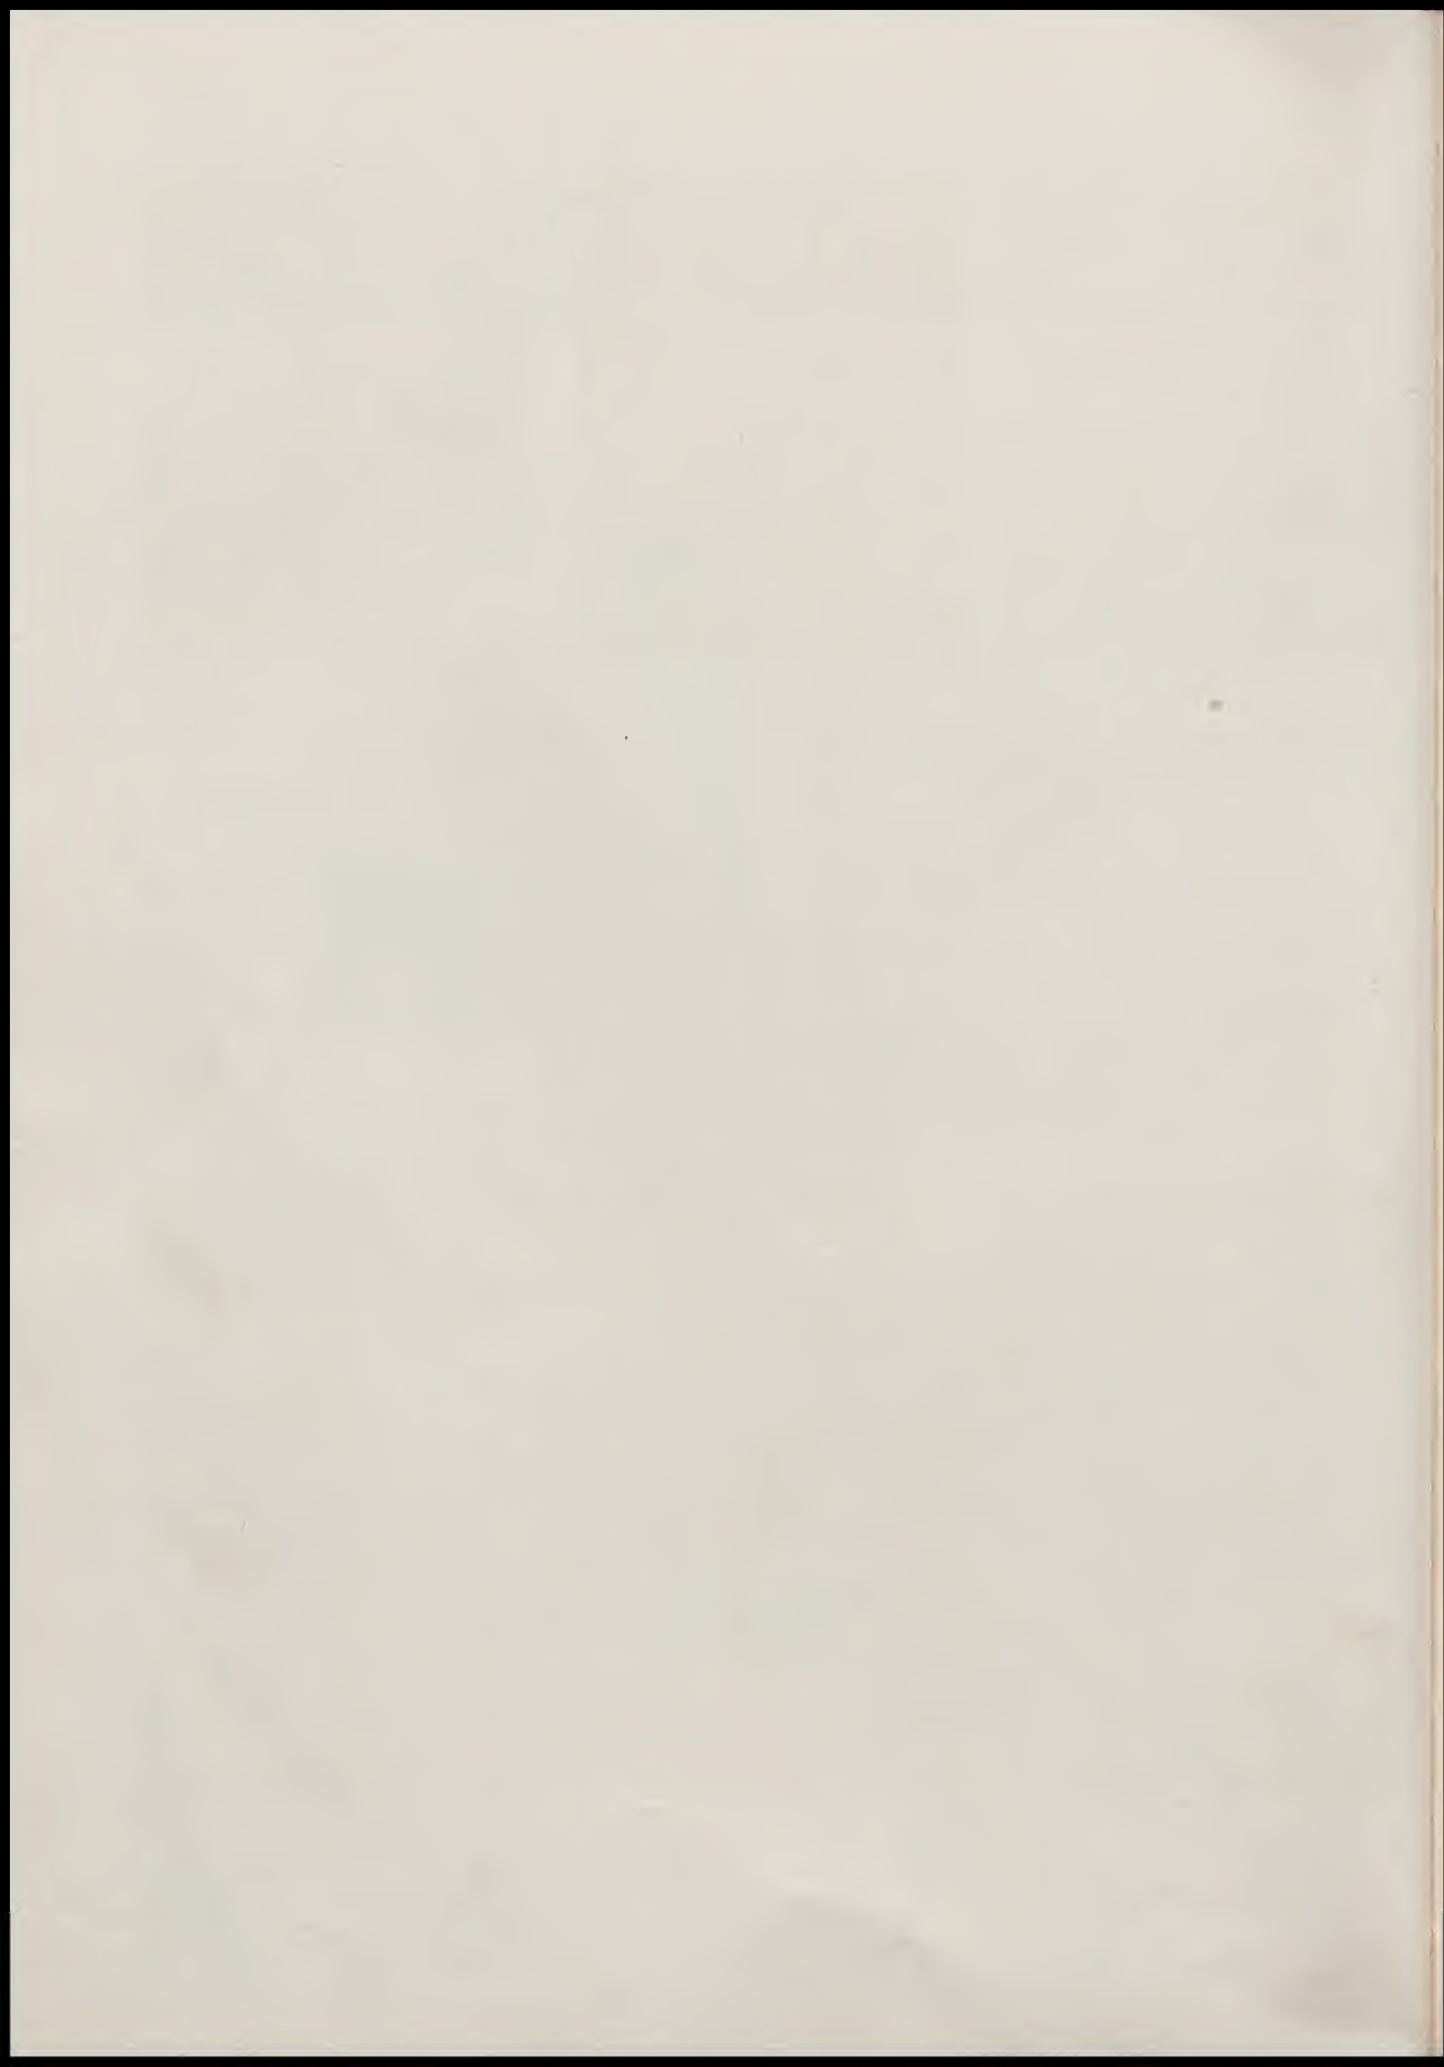

Hungry, Mother Goose glided into "Gibson's Super Market" and found Joyce right there behind the cash register. Thinking that maybe "Wheaties" would taste pretty good, she was sold on the idea when she saw Gerald Swim's and Bob Mann's pictures on each box stating "Don't Let This Happen To You; Eat Wheaties!" In the center of the store she saw Dietician Corinne Mamo, in her very own stand, talking to a group of ladies. Such questions she had to answer. Mary Alice Suddeth, Kathleen Olson, and Georgie Nittler were really giving her a terrible time. Each had a wedding ring on, and it's no wonder they were so interested in Corinne's advice about good dinner menus.

What happend then? Mother Goose heard a blood-curdling yell and hopping back on her jet-propelled goose, flew out of the store and saw Billie Llewellyn crying in pain! Dentist Nan Stevens had just pulled one of her teeth and Pat Thorpe was next in line. How did Nan ever get through dentistry school? Out of another office came Barbara Hunt, Audrey Keeling, Gloria Rife, and Norma Richards looking like something out of Vogue. Guess their jobs as private secretaries to men like Harold Craig, Bob Kramme, Darrel Walker, and Lyle Johnson are quite the careers.

In the same building Mother Goose got the surprise of her life; she found out that Anna Belle Loth, Elaine Thomas, and Marlene Scott had been chosen the "Best Scrubwomen of the Year." While watching them push the mops for awhile, she was again surprised when she saw Don Bruce and Jim Price coming from a small office with "Try Dr. J. E. Lilly's Fire Water" written on the door. Beneath were the testimonies of Joyce Lenz, Dorothy Morris, Mary Mora, Charles Koppes and John Cameron stating "We've tried it! We'll never be the same."

Girls' Adviser

MR. PRICHARD

MR. WILLIAMS
Vice-Principal

FACULTY

We work, we work from morn till night,
On boys and girls to shed some light.

Our principal, Mr. Prichard, guides us through every day. In his capable hands our program is active and progressive.

Some of the many important things Mr. Williams does are acting as boys' adviser, scheduling our athletic events, and directing the night school.

Miss Helmreich, the girls' adviser, spends much time working out the girls' problems. We find that she sponsors many social activities and sees that we all have a good time.

Ready to advise, correct, guide and aid is our faculty. Giving generously of their time and talents, they make successful the assemblies, school parties, clubs, and many other extra-curricular activities. Most important of all is the school work which they make pleasant and profitable for all of us.

QUILL

There was a little girl who worked on the Quill,
She worked on it night and day,
All the pages to make, no rest did she take,
The Quill all complete was her pay.

In 11A a few students are recommended by their English teachers to try out for the Quill. This consists of writing an essay. Everyone is given an hour in Room 16 to complete it. Then the writers of the best essays are chosen by Mr. Stratton and Miss McBride to be on the Quill staff for the following year.

This year our staff is the smallest it has been for several semesters.

SCROLL STAFF

Little Jack Horner sat in the corner,
Reading the Scroll one day.
It was very worthwhile,
For it was written in style,
By the staff in an interesting way.

Why of course, Little Jack Horner reads the Scroll. Probably he is just as anxious to get the next issue of the Scroll as all its East High readers. This well arranged newspaper informs us of the coming athletic, musical, dramatic, and social activities. We also find ourselves enjoying the clever opinion polls and the humorous stories.

The students who make this excellent school paper possible put in a great deal more work than we realize. Under the direction of Helen Johnson, editor-in-chief, the staff meets during the fifth hour in room 16 to plan the various pages, take pictures and write articles. Three others add their advice and help. They are Mr. Kenneth Stratton, editorial; Miss Sylvia Hardy, art; and Mr. Charles Springate, business.

Scroll Advisors: Charles Springate, Sylvia Hardy, Kenneth Stratton.

STUDENT COUNCIL

A man of words and not of deeds,
Is like a garden full of weeds,
For when the weeds begin to grow,
Then doth the garden overflow.

The duty of our Student Council is discussing problems and ways of solving them.

The officers this semester are Don Clemens, president; Wayne Bergstrom, vice-president; and Billie Llewellyn, secretary.

EAST CADET TEACHERS

East High has some good students,
As smart as they can be,
At teaching they do very well,
When substitutes they must be.

Ability to get-along well with others, good grades, and aggressiveness are qualities looked for in selecting student cadet teachers. These cadets replace East teachers when they are called away during the day.

CLUB PRESIDENTS

Master Riddle-Me-Roo,
If I've heard no lie,
There are clubs at East High,
That aren't very dry.

Every first and third Wednesday of each month, the mixed clubs of East High School meet. These are groups such as the Spanish and Shakespearean clubs.

On every second and fourth Wednesday, the boys' and girls' clubs meet. Examples of these organizations are Chess and Checkers, the Zeta and Philo clubs.

The purposes of these clubs are to develop students' personalities.

BOOSTER COMMITTEE

Hi Diddle Diddle,
We help solve a riddle,
If you have lots of pep, and you
want to be hep,

Join the East High Booster Committee.

Any peppy and ambitious East student is eligible for the booster committee. There are no officers in this group, also there are absolutely no cliques. Pupils are urged to say what they sincerely think to the committee.

Some activities of this committee are dressing the stage for pep assemblies, arranging busses for out of town games, and decorating the goal posts at our own stadium.

LIBRARY STAFF

Studious Mary went to the library,
To find a certain book;
But when she got there, there were
books everywhere,
And she didn't know just where to look.

In this case the library staff would be on hand to help. These efficient students under the direction of Miss Carrie Larson, make the library an added asset to East High.

CLERICAL STAFF

A diller a dollar,
A clerical scholar,
Who works in the office each day.
Although she has a lot to do,
Her tasks are done without delay.

These students, who do their work not only quickly but efficiently, work for Mr. Prichard, Mr. Williams, Miss Helmreich, Mrs. Clark and the main office. This experience helps prepare them for future positions.

All School Play

Acting is the joy of life,
To some who love to say words twice,
But you and I upon the stage,
Would not, I fear, be very sage.

MAKE-UP COMMITTEE
Bonnie Jenkins, Barbara Graves, and
Anne Farrer

The all-school play, "Trail of the Lonesome Pine," was presented at East High School November 18th and 19th at eight p.m. It is a comedy based on the novel by the same name. A fine job was done by the entire cast, directed by Mrs. J. Laser.

The play try-outs are held about two months before the play, and anyone who wants to is encouraged to try out.

The cast was ably assisted by two prompters, the makeup committee, the props committee, the electricians and stage-hands, the wardrobe girls, and many other teachers, boys, and girls who helped to make the play the successful one it was.

CHOIR

Sing A Song of Sixpence

The most advanced of our music classes in East High is the A Cappella Choir, under the direction of Miss Sigrid Greenhill.

Every student in our school remembers and appreciates the beautiful picture created by the choir at the annual Nativity program. They also participate in the Thanksgiving assembly and various other programs in and out of school.

BAND

Little Boy Blue Come Blow Your Horn

The largest group of music-makers in East High is the school band, directed by Mr. Jack Borg. There are 75 of these hard-working musicians, who lend inspiration in assemblies, at football games, and basketball games.

The cadet teachers are Samuel McCoy and Lester Streamer.

Our drum major, Dick Larson, leads the band in their maneuvers during football games.

ORCHESTRA

Our 36 piece orchestra is one of the best we have had in a number of years. The very capable and likeable director is Jack Borg.

Chief activities of this group are providing music for the school play, class night, commencement exercises, and various other functions during the semester.

MR. BORG

MAJORETTES

The majorettes add much to the appearance of the band, and at football games furnish a large part of the performance. The gold uniforms of our drum major, Dick Larson, and the gay red and white of our majorettes form a striking picture as they move down the football field.

The Glee Club is made up of students who wish to advance themselves in music. Directed by Miss Sigrid Greenhill, they participate in programs in and out of school.

Seated: Mullen, Hackley; **Standing:** Schneider, Kranovich, Cunningham (accompanist), Miller, Mullen.

Several of the outstanding members were chosen for the All-State choir at Ames.

The girls in our sextet have remarkable voices that blend together in perfect harmony. They sing semi-classical and classical music.

DRAKE CADET TEACHERS

Jack be nimble, Jack be spry,
Only brains will get you by.
For this semester with ambition
we burn,
To show cadet teachers that we
can learn.

This semester we have been lucky in having many cadet teachers from Drake University. These are either seniors or graduate students at Drake that are preparing for the teaching profession. They practice at some of the high schools in Des Moines.

We appreciate having them for they give us many new ideas, and, though it may be surprising to some people, they really keep us on our toes. There is no sleeping when these "practice" teachers fire questions at us!

There is one thing we think you would like to know—all our cadets are men except one—Mrs. Cunningham. Mrs. Cunningham is practice teaching Journalism under Mr. Stratton.

SERVICE MONITORS

To-Whit! To-whit-to-wee,
They're as busy as can be,
Who are busy as can be?
East High's Service Monitors.

Without the aid of our service monitors, we would lack our daily privileges.

Headache? Tummy hurt? All you need is a knowledge of our halls and you can zoom away to the nurse's office, where the cool hands of the nurse's helpers soothe your brow or take your temperature.

Every day the pool messenger takes a specimen of the swimming water downtown to be tested. If this isn't done, no swimming.

Yum-m-m the odors from the cafeteria are delicious, and our own student cashiers handle the business end of lunch-buying.

Two cents please is the familiar call of the movie helpers that we hear upon entering the noon movie.

As you can see we all benefit from our service monitors.

OUR WORTHY MONITORS

Little Mr. Monitor sat in the corridor,
With a very watchful eye.
Along came a lass,
Without any pass,
So he wouldn't let her go by.

This is quite true as we have discovered if we have ever tried passing through the halls during class time without a pink slip in our hand. These students give up their study hall to help keep our classes from being disturbed by any noise in the halls. There are also the before-school monitors and those who help the gym teachers. We appreciate the good job they are doing and will cooperate with them in any way possible.

Row 1: Reed, Burdock, Reynolds, Hicks, Long, Hall, Price, Grant, Shockley; **Row 2:** McFain, Gooding, Ray, Mamo, Rife, Speer, Haag, Drottz, De Borde, Rosenberg, Schattauer, Briar, Little; **Row 3:** Tomlinson, Mitchell, Hawthorn, Hutchinson; **Row 4:** Watters, Hoffman, Kurchinski, Plummer, Cosner, Smith, Mofle, Field, Maneely, Thornton, Underwood, Malaney, Dyer, Hedgecock.

CAFETERIA LADIES

Row 1: Helen Manley, Lucille Hicks, Minnie Griffith, Vivian Lee, Mary Stoltmier, Mary Carlisle;
Row 2: Maude Wigenjost, Margaret Allison

They that cook on Monday,
Work hard all day long.
They that cook on Tuesday,
Sing a merry song.

Those delicious aromas that penetrate your classroom walls every day are brought about by the hard work of our cafeteria ladies, directed by Mrs. Wigenjost.

These ladies start their working day early in the morning before school starts. Their long day is finished just before the end of our school day.

Why not think of this while you impatiently wait in the lunch line!

CAFETERIA LADIES AND JANITORS

Who sweeps the floors,
And by the score,
Wash the windows, dust
the doors?
We, said the custodians.

Winding clocks, shoveling walks, and pushing brooms are some of the tedious tasks performed by our faithful custodians.

Mrs. Ruby, our lady custodian, takes care of the girls' rest rooms. Because of her friendliness, she is a favorite of all of us.

Mr. Edwards, our chief custodian, fixes schedules and sees that all duties are performed correctly.

A NINE O'CLOCK SCHOLAR

A dillar, a dollar
A nine o'clock scholar
What makes you come so late?
Is it because you had a date?

Arriving here at school presents a problem to some students but this year we have had less tardy students than in any previous year.

The first step on arriving is the locker. Some boys have trouble with lockers too, but it is not restricted to 10B's. It seems the girls love to use the boys as book holders.

After the books have been taken care of there is the serious (?) step of walking around the halls. All students seem to enjoy it.

ROUND AND ROUND THE HALLS

OPEN THE DOOR

A Dillar, A Dollar

THIS IS THE WAY WE LEARN THE RULES

MATH

Multiplication is vexation
Division is as bad
The Rule of Three perplexes me
And practice drives me mad.

What would we do without mathematics? For the most part study of simple arithmetic begins before we ever start our school years.

Girls usually do not continue in math studies after they have finished geometry, although often times, you can find a few girls taking such difficult math courses as college algebra and trig. If a student is going on to college all the math he has taken will be needed greatly.

HOME EC.

Sit on a cushion
Sew a fine seam
Feed upon strawberries,
Sugar and cream.

Under the capable direction of Mrs. Baal, Mrs. Jordal, and Miss Wetzstein, the girls of East High School learn the art of homemaking, including such useful tasks as sewing, cooking, planning meals and budgets, home management, and family relationships.

HISTORY

To history I go
For I must know
A historical fact
That I might lack.

Our different courses in history are also important in daily living. The knowledge of government work helps tremendously as we grow older.

In our tenth grade, we may take world history if we like, but we are not compelled to. In our eleventh year American history is required for all students. Again too, in twelfth grade we study the history of applied economics. These different histories give us all the working phases of our American government.

RADIO

Writing scripts is the task
Of these students in radio class.
They wrack their brains for the
right words,
Poor little children. Alas! Alas!

Radio class was just started recently by Mr. Wittkop. The pupils make recordings of their voices to see how they can be improved and take exercises in pronouncing their words more clearly. They write news and sport stories, commercials, a radio play, and various other scripts. They learn to speak before people, thus building up their self-confidence.

This class is valuable, because the field of radio is so wide.

MOVIE, LUNCH

Jack Sprat ate all the fat,
And then went to the show.
The little seat wherein Jack sat
Was tight—What happened? You
know.

Lunch is the most popular subject with the boys and girls of East High because eating is their favorite pastime. You can buy the plate lunch or individual servings of whatever you want. Bringing their lunch is popular with many of the students.

After lunch you can do last minute studying, go to Fellowship Club, go to the noon movie, or just talk with your friends.

ICE CREAM SOCIAL

There came an old man
from town,
Who taught grown-up
children to dance,
But they were so stiff, he
sent them home in a
frown,
That sprightly old man
from town.

Every semester the senior
board, elected by Senior-A stu-

dents, plans a semester calendar of senior activities. The board selects a committee for each activity. The committees plan programs, select entertainment, and plan the dates of the different events.

These activities include such get-togethers as chili suppers, senior-parent dinners, and such novel events as our ice cream social, which is pictured. This picturesque attraction was the first of its kind in the long history of East High School.

Without the guidance of the senior officers and the board, the semester for Senior-A's could hardly function.

STUDY HALL

Jack couldn't study at home,
Neither could Bill or Paul;
But they could study very
well,
In the study hall.

GIRLS' SWIMMING

Oh Mother, may I take
lessons to swim?
Oh yes, my darling
daughter.
Just put on your swim-
ming cap and suit,
But never go near the
water.

BOYS' GYM

Jack was nimble and
Jim was tall;
And they both were
good at basketball.

MECH. DRAWING, SHORTHAND, DRIVERS TRAINING, AUTO MECH.

There were some students,
They were all swell.
Gave them some work,
And they did it all well.

The mechanical drawing classes, conducted by Mr. Hammond, start out by learning the use of the different drawing instruments, lettering, and autographic projection, and then working on to sectioning, sheet metal drawing, machine drawing, architectural drawing and then to more advanced machine and architectural drawing.

Before enrolling at East High, I decided I would enter the business world. Soon I was the victim of shorthand hysteria and typing psychoneurosis. We learned to take dictation, beginning at 40 words per minute and working up to 100 to 120 words per minute. I also found I could type a satisfactory business letter.

The drivers training classes, conducted by Mr. Sargent, begin by learning the rules of driving and the function of the different car parts. Each student gains experience by driving the car around the city; and finally at the end of the semester, they are eligible to obtain a license.

Auto mechanics offers opportunity for boys to take cars apart and see what makes them tick. Upon entering the auto mechanics shop, one can see various automobiles in various stages of disrepair, being given a going-over by grease-covered, overall-clad boys. Proof of the value of this course is obvious in the many servicemen who make their living doing auto mechanic work.

REMEMBER THIS?

FOOTBALL PRACTICE

There was a fat man of Bombay,
Who watched East High's team practice
one day.

A player that was tall,
Mistook him for a football,
Which vexed the fat man of Bombay.

PEP ASSEMBLY

Little girl, little girl, where have you been?
The East High pep assembly I did attend.
Little girl, little girl, did you have fun?
Oh yes, and I'll be so happy when the game
is won.

WHAT A TEAM!!

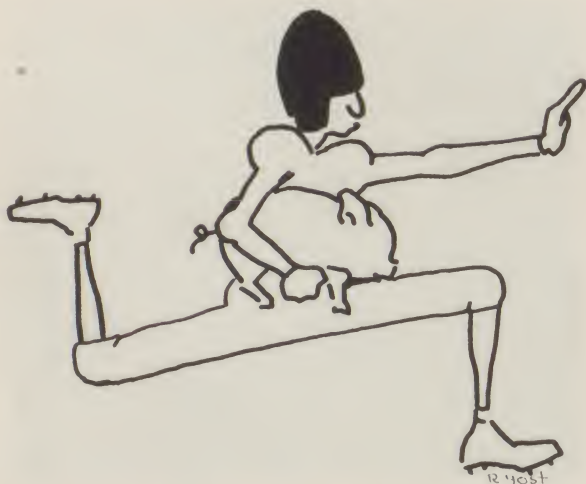

WORK HARD, MY CHILDREN

End of the day
And what have we done,
Worked on the play
And studied for fun,
Slaved in Math,
And walked miles to class
To see what charms History hath;
To Room 16 we happily run,
For Quill and Scroll must be done.
Going home is never dull,
When we traverse on busses full.

Spanish is one of three foreign languages taught here. Singing is one of the high points of the Spanish and French classes. Latin gives a basis for all Romance languages, including English.

"Going home" is a very exciting part of the day, as you can see by the eagerness of the students to get on the bus.

DIFFICULT ROAD TAKEN BY CITY CHAMPS

EAST OVERCOMES LINCOLN HIGH

After a slow start East came back to defeat the Railsplitters 25 to 6 in the first game of the season. Lincoln scored quickly after the opening kick-off but hard blocking and tackling by the East forward wall took the spunk out of the spirited Abes. Bergstrom scored two touchdowns and passed to Ault for another. Terrell scored the other T.D. Coldiron, O'Boyle, and Smith stood out in the line.

LATE LOSERS

A gallant East High football team fought back against a favored St. Ambrose aggregation to overcome a first half deficit of 12 points only to lose in the last 45 seconds, 26 to 20. Ault, Bell, and Bruce scored the touchdowns for East. O'Boyle, Gatewood, and Coldiron stood out in the line. The blocking and tackling of East was very sharp.

EAST PUNCHES OUT VICTORY

East High defeated Roosevelt 14 to 7 in one of the hardest fought games in the city. Better than 13,000 frantic people watched these two teams battle to a stalemate until two passes put East ahead. Bergstrom passed to Bruce and then to Gatewood for the T.D. Bell converted to make it 7 to 0 at the half. The second half was just as fierce, as Roosevelt came back to tie the score with six minutes remaining in the game. After the kick off Bergstrom completed two passes to set up the winning marker. On fourth down with two seconds remaining, Bergstrom crashed over for the victory. No one person starred as everyone gave all he had for the victory.

SCARLETS WIN CITY TITLE

The East Des Moines Scarlets defeated North High 6 to 0 to win the City Series Championship. North High faced a rugged East line and they could not conquer the fighting Scarlets. The first half was scoreless as both teams had better defenses than offenses. The struggle for the Championship continued in the second half as a deadlock. On the last play of the third period, with North nearing the East goal, Morris Bell, East fullback, intercepted a ball and ran 92-yards for the only touchdown. He was helped tremendously by two key blocks by Ault and Gatewood. The line was outstanding holding North to -3 yards gained in the fourth period. Even the last sub on the bench did his share to win the City Championship for East High.

EAST ROLLS OVER TECH

The East Des Moines Scarlets won their second city series game defeating Tech High, 36 to 7. Gatewood, Terrell, O'Boyle, Gier, and Fields scored touchdowns for East. Bell converted four extra points and Zust tackled a Tech man behind the goal for a safety. Coldiron, Smith, and Dubansky stood out in the line.

EAST TRAMPS MASON CITY

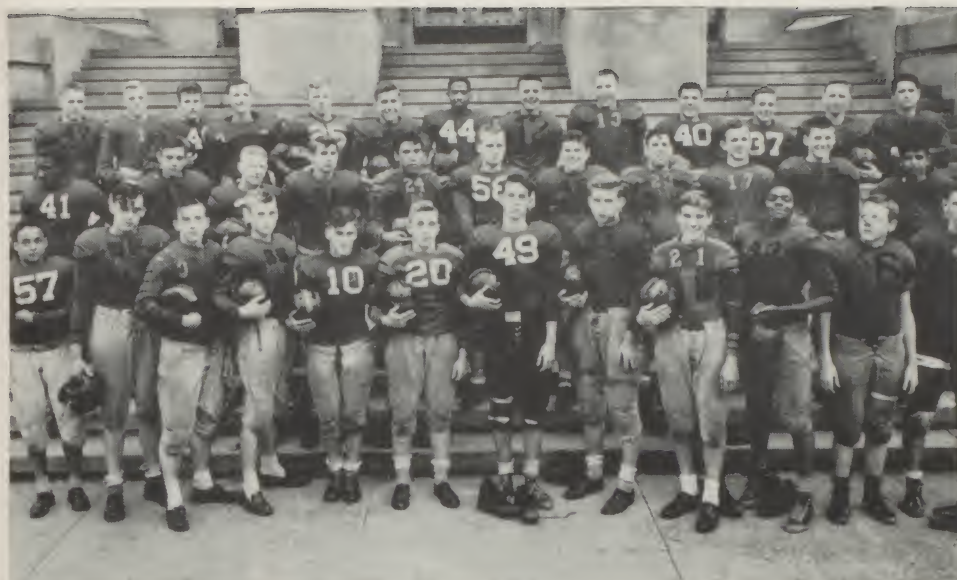

The scampering Scarlets rolled to their easiest victory of the season, defeating Mason City, 32 to 13. After Clemens recovered a Mohawk fumble of an East punt, Bergstrom scored the first of his four T.D.'s. Sensational blocking by the line, especially by O'Boyle, set Bergstrom away on touchdown runs of 53, 48, 22, and 21 yards. Bell scored the other marker. O'Boyle, Coldiron, and Clemens stood out in the line.

FT. DODGE EDGES EAST

A strong Fort Dodge team came to East and handed the Scarlets their second defeat of the season 14 to 6. The first half was very tight. In the second Ft. Dodge scored first. Then East came back with Gatewood scoring after catching a 40-yard pass. Ft. Dodge scored again just before the final gun. O'Boyle, Smith, Coldiron, and Price played well for East.

EAST TOPPLES EAST WATERLOO

Playing on their own field, East High defeated East Waterloo 7 to 6. The game was featured with hard defensive play and good strong lines of both teams. Quarterback Sterner scored for Waterloo in the second quarter. The kick was no good. In the fourth Ault scored for East after receiving a pass from Bergstrom. Bell kicked to give East the winning point.

COACH GREGORY

SECOND FOOTBALL

East has a promising second football team this year, having plenty of speed to make up for the lack of weight. Under Coach Charles Gregory's guidance they are practicing blocking and tackling in which they do need some improvement. Above all it takes spirit and teamwork to make a team. They have both. Their record for this year is six wins and one defeat. They also won the Little City Series Championship.

CROSS COUNTRY

The boys on the Cross Country team are the boys who run the long distances at the Drake Relays. They are under the able direction of Coach "Mike" Augustine and sometimes in practice will run as far as Birdland Park. The boys who will bring home the honors to East High are Don Murray, Eugene Hart, Dick Larson, Dick Dougherty, Paul Doering, Ronald Wurst, Bob Jones, and Ivan Cook.

COACH SPENCER

GIRLS' TENNIS

These girls are an example of the tennis team. Of course there are many more girls out for tennis than make up the team. Under the direction of Miss Spencer the girls practice as many nights after school as possible on the Amos Hiatt tennis courts. Most of the top members will graduate next June but there are quite a number of lower-classmen coming up to compensate for this loss.

GIRLS' GOLF

Girls' Golf always has a short fall season, this year ending Sept. 28. Every fall there is a City Golf meet with five high schools participating. East High came in fourth this year in the meet. The girls on the team have Monday night and Thursday night at Grandview golf course to practice and are coached by Walter Barnard. The outstanding girls on the team are June Gander, Ginger Reynolds, Pat Hanlon and Marilyn Drottz.

COACH GEWERTH

BOYS' TENNIS

The boys on the Tennis Team work under the direction of Mr. Gewerth. They practice as many nights as possible on the courts at Amos Hiatt perfecting their technique. We are especially proud of Ralph Whitehead and Harlan Rosenberg who brought honor to East High by winning the City Doubles Championship. Carl Grant is the only 12-A on the team, while the up and coming 10-B's are Don Shearer, Frank Haltom, John Rowland, Larry Larson, and Donald Wolfson.

BOYS' GOLF

Wham! Where did the ball go, in the rough, on the fairway, or on the green, or did it go at all? The boys on the golf team didn't have a very successful season this year, defeating Tech High, and losing at the hands of North, Lincoln, and Roosevelt High. Outstanding players on the hard driving East High team, under the direction of Coach Walter Barnard, are Dick Roderick, Bob Campbell, and Ronnie Lehr.

COACH BARNARD

BOYS' GOLF

Row 1: John Wright; **Row 2:** Dick Roderick, Steve Stubbs, George Borg; **Row 3:** Ronnie Lehr, Walter Barnard, Bob Campbell, Bobby Hammer.

WRESTLING

Row 1: Nelson, Gooding, Hicks, Fors, Widaman, Newton, Anderson, Tomlinson, Boyles, Peterson, Zearley; **Row 2:** Harlan, Roe, Crawford, O'Hara, Owens, Anderson, White, J. Johnson, Pearson, Weese, Forbes, Llewellyn; **Row 3:** Bradshaw, Peltier, Henderson, Cook, Wade, Mentzer, Pasutti, D. Johnson, Gephart, Clemens, Griffith, Titus, Carpenter, Burdock.

COACH GREGORY

WRESTLING

Coach Charles Gregory, who has led many wrestling teams to honors in the city and state, is looking forward to a very successful season this year. Many of the boys from last year's squad will be back this year, and the prospects for East High being represented in the State Meet are very good. Although many of the boys on the team are seniors, there are many capable sophomores who need only experience to make good wrestlers.

SWIMMING

That likeable Scotchman, A. Y. "Scotty" Russell, leads the swimmers again for this year. Although winning meets have been difficult, the team looks good. They have returning lettermen for all the single events. They are Ronnie Bruner, Jack Johnson, Bill Erickson, Gerald Lyons, Dick Johnson, and Jack Shock. They have been working out at school and at the Y.M.C.A. It appears that there are some promising sophomores and juniors that build around the lettermen.

COACH RUSSELL

SWIMMING

Row 1: Wurst, McQuarry, Darling, Gould, Seabach, Lind, Guthrie, Rowland; **Row 2:** Slocum, Hanson, M. Smith, Bobzin, Erickson, Bruner, Forbes, Clark, J. Johnson. **Not in picture:** Ben Peterson, Jack Schock, Dick Johnson.

G.A.A. OFFICERS

Row 1: Jerry Cocking, Secretary; Donna Hale, Vice-President; Row 2: June Laurence, President; June Gander, Publicity Secretary.

COACH SPENCER

G. A. A.

The Girls' Athletic Association offers a wide variety of activities for any girl. Scotty Russell teaches the swimming class while Miss Spencer has charge of baseball, tumbling, and juggling. There are leaders for every sport who referee and keep charge of the scoring, attendance and individual credit points. These credit points may be added from every sport to make towards a letter in G.A.A. With the exception of club night there is activity going on every night.

CHEERLEADERS

COACH STRATTON

The Cheerleaders this year are Jerry Nelson, Steve Jaegar, Neal Llewellyn, and Ronnie Plaisted; the alternates are Bill Fors and John O'Hara. The boys on the cheerleading staff were judged on their enthusiasm, appearance, voice, possibility for quick development, apparent qualities of leadership, ability to execute motions smoothly and gracefully, the response by students, and the general bearing of the boys. East High has some excellent cheerleaders this year, and many of them will be back next year.

CHEERLEADERS

Ronnie Plaisted, Jerry Nelson, Neal Llewellyn, Steve Jaegar.

VARSITY BASKETBALL

Row 1: Grant, Maigaard, Kramme, Witt, Englund, Shockley, Matthews; Row 2: McFarlane, Wallerstedt, Koskovich, Kasner, Peters, Lawrence, Doerring, Bergstrom.

COACH WEBB

VARSITY BASKETBALL

The Varsity Basketball team began working out with the Cross Country early this fall. They also met at school one morning a week to discuss plays under the direction of their coach, Wendell Webb. The nine returning lettermen are: Ralph Maigaard, Carl Grant, Jack Shockley, Gene Labus, Bob Kramme, John Englund, Paul Doerring, LaVern Fields, and Wayne Bergstrom. Last year these boys came within one step of going to the State Finals at Iowa City. They lost to Newton 40 to 35. We hope that they will make it to the Finals this season.

SECOND BASKETBALL TEAM

The boys on the second basketball team practice every night after school from 3:30 to 4:30. Mr. McAdams, from Brooks school is helping Coach Webb in preparing the boys for their heavy schedule. Everyone of the boys on the team is a tenth grader which means they will have plenty of practice working together before they become seniors.

STUDENT MANAGERS

The Student Managers, under the direction of "Gus" Rump, have the job of seeing that all the athletic equipment is on the field at the practices and at the games. The student managers this year are Jack Johnson, Carl Burdock, Jerry Lyons, Don Clemens, Bob Witt, and Jerry Smith.

QUILL AD CLUB

Many crooked miles are traveled by these students in their efforts to establish a new high in Quill advertising space each semester.

Learn to sell; get out and do it! That's the philosophy of the merchandising and sales classes under the direction of Mr. Gabel. However, there is greater value than the sale itself. Increased sales resistance, coupled with cautious spending by business, has demanded more study and preparation, greater emphasis on attitude and personality.

Students in these classes find their work inspiring due to interest from having made sales, preparing contracts and composing layouts.

The \$25 Club and Quill's Men are the Who's Who of East High salesmen—the reward of productivity.

**SAVE
\$267**

"the quicker way"

According to the American Automobile Association driving to work is expensive.

For example, if you live 4 miles from the city center, here's what it costs you to drive annually:

2400 miles at 8 cents	
per mile	\$192.00
300 parking days at 50c	
(average)	\$150.00
Total	\$342.00

But this same yearly travel on a Transit Coach costs you only \$75... a \$267 saving to you. There's no parking or traffic to worry about, and a clean, comfortable Transit Coach takes you nearer your destination seven times safer.
